Is your name Google? Because you're the answer to everything I'm searching for.

Are you religious? Because you're the answer to all my prayers.

If I had to rate you from 1-10, I would rate you as a 9 because I am the one that you are missing.

Can I have directions?... to your heart?

I'm not drunk, I'm just intoxicated by you.

Can I carry your books?

Do you have a map? I just keep getting lost in your eyes.

Are you O.K.? because it's a long fall from heaven.

What does it feel like to be the most beautiful girl in this room?

What's a nice girl like you doing in a place like this?

Hi, my name's Mr Right. I heard you were looking for me?

Inheriting eighty million doesn't mean much when you have a weak heart.
